

# RTAM Volunteer Form

RTAM is looking for volunteers with diverse skills, creativity, and innovative thinking to join a committee to help keep the organization moving forward and make it better. Volunteering provides individuals the opportunity to get to know more about RTAM, meet other retired teachers and share knowledge on various topics. **RTAM members are encouraged to volunteer on a committee or working group.** For more information about committees, visit our website at <https://www.rtam.mb.ca/about-us/rtamcommittees>.

*What to know about being a committee or working group member:*

- The term for a committee member is one-year.
- Committee meetings are held once a month usually from September to April either via Zoom or in-person (some committees are active during summer months).
- An RTAM Board member is Chair of a committee (Policy 9.03 (a) i.)
- At the Board's discretion, working groups can be formed to complete background work on emergent topics. Working groups are short term projects.
- **Volunteers must be sufficiently conversant with current technological communication methods (Zoom and email).**

Please rank (1-4) the committee(s) you are interested in joining as a **member and/or Chair**. *The Board will try to accommodate volunteer requests, as we constitute balanced committees within the parameters of our bylaws and policies.*
